FIRE DAMAGE REPAIRS IN SLOUGH

Ideal Response received a call from a residential property owner in Slough. The flat's occupier had left a chip pan unattended, and the resulting fire damage was extensive. We attended the scene straight away to assess the damage and our specially trained team returned the next day to carry out the cleaning and repairs needed.

THE PROBLEM

The chip pan fire had caused significant damage to the open plan lounge and kitchen which was practically destroyed. The rest of the flat had widespread smoke damage, including melted contents and black soot throughout.

THE IDEAL SOLUTION

Ideal Response attended the scene at 6:30am to begin the fire damage repairs. Our specialist team stripped the flat to the walls, removed all of the units in the kitchen and lounge and took out the wooden flooring throughout. They also arranged for licensed disposal of all damaged goods that had removed from the flat.

Fire Damage in Slough

CASE STUDY

The property was given specialist fire damage cleaning to remove smoke and soot residue from the walls and other hard surfaces. The bathroom was given a deep hygiene clean including all sanitary ware and tiled walls.

A hot water extraction system was also used to give the salvageable carpets a through clean and finally a UVL deodorizing fog was utilized to remove any traces of smoke. The works took 2 days to complete, and the flat was ready for renovation works straight away.

OUR SERVICES

We operate across the South East of England including, Kent, London and Essex. Our fire damage helpline is available 24 hours a day, 7 days a week for all emergencies and we aim to respond to your call within 2 hours.
